TOMMI LEHTONEN, MSc

CEO

Blueprint Genetics

Tommi is the CEO and co-founder of Blueprint Genetics, a clinical genetics company based in Helsinki, San Francisco, and Dubai. He has been running Blueprint Genetics since the beginning and is responsible for sales management, business development and finance. He splits his time between the Bay Area and Helsinki.

Prior to Blueprint Genetics, Tommi founded the data analytics company, Whitevector, and grew it in the Nordics and UK. Tommi holds a M.Sc. (Tech) from the Helsinki University of Technology where he studied business strategy and applied mathematics.
