**PATRICK FÖRG**

**Head Origination  
SIX Swiss Exchange**

Patrick Förg is the Head Origination in the issuer relations team at SIX Swiss Exchange. In this function, he and his team are responsible for the origination of new listings through enhancing visibility and awareness of SIX Swiss Exchange as a listing location for Swiss and international companies, by managing and facilitating relationships with all stakeholders involved in the listing process and by acting as a capital market knowhow center for equity and debt capital markets. Before joining SIX Swiss Exchange, Patrick worked 12 years in the Corporate Finance & Treasury department of LafargeHolcim. He holds a BSc in Business Administration (Banking and Finance) and a Master of Advanced Studies in Corporate Finance.
